## Important Notes:

- The KGI Investment Fund Series OFC and the KGI Diversified Growth Income Fund (the "Fund") have been authorized by the Securities and Futures Commission in Hong Kong (the "SFC") (SFC authorization is not a recommendation or endorsement of the Fund nor does it guarantee the commercial merits of the Fund or its performance. It does not mean the Fund is suitable for all investors nor is it an endorsement of its suitability for any particular investor or class of investors).
- Investment involves risk, past performance is not a guide to future performance. Investors should read the Explanatory Memorandum and the Product Key Facts Statement of the Fund (collectively, the "Memorandum") for details including risk factors and charges relating to the Fund and to seek advice from an independent financial adviser before making an investment in the Fund.
- The Fund intends to use financial derivative instruments (the "FDIs") for hedging and/or investment purposes. The use of FDIs exposes the Fund to additional risks, including counterparty / credit risk, liquidity risk, valuation risk, volatility risk and over-the-counter transaction risk.
- Information contained in this document is obtained and prepared from sources which are, to the best of the knowledge and belief of KGI Asset Management Limited (the "Manager") believed to be reliable.
- For information sourced externally (as disclosed), such information is, to the best of the knowledge and reasonable belief of the Manager, accurate, complete and up-to-date at the time of publication of this report.
- This document is for information and reference only, and does not constitute an offer.
- The past performance of the Fund is not indicative of future performance. The price of the Fund may fluctuate and investors may lose some or all of their investment.
- The investment decision is the investor's, unless the intermediary has explained to the investor the terms of the Fund and has taken into account the investor's financial circumstance, investment experience and investment goal, the investor should not invest in the Fund.
- The information in this document must not be edited and/or reproduced in whole or in part without the prior consent of the Manager.
- This document is issued by the Manager and has not been reviewed by the SFC.
